

GLH-2

STEP 1 2 3 GLP1 BOOSTER

Supports carbohydrate metabolism*

Premium health benefits

GLH-2 contains Glucoreductase™, an innovative patented blend that supports carbohydrate metabolism. Chromium contributes to the maintenance of normal blood glucose levels. Morus alba helps maintain carbohydrate metabolism balance in the body. Berberis aristata helps control glycemia.*

*Health claim pending European approval.

Usage instructions

Take 1 to 2 capsules per day, preferably with the main meal. We recommend using GLH-2 for at least 3 to 6 months, combined with regular exercise and a balanced diet.

Warning: Keep out of reach of children. Do not exceed the recommended daily intake. Food supplements should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. Store in a cool, dry place. Consult your doctor or pharmacist if you are taking antidiabetic medication.
