

INSTANT ENERGISER

STEP 1 2 3 THE BOOSTER

Intense focus and fast energy

Premium health benefits

Instant energy shot designed to support focus and deliver fast energy. Contains 100 % bioavailable magnesium ions that contribute to the reduction of tiredness and fatigue. Natural green apple flavour. 0 % sugars, 0 % sweeteners.

Usage instructions

Take 1 shot per day whenever you need an extra energy boost. We recommend using Instant Energiser for at least 3 to 6 months, combined with regular exercise and a balanced diet.

Warning: keep out of reach of children. Do not exceed the recommended daily dose (1 shot). A food supplement should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. High caffeine content. Not recommended for children, pregnant or breastfeeding women (320 mg/100 ml). Store in a cool, dry place. People taking medication should consult their doctor or pharmacist before use.
