

J-Magneflex II

Cartiflex™

Premium health benefits

J-Magneflex II is a high-dose 3-in-1 supplement designed for those who want to stay active every day¹. The formula combines hydrolyzed cartilage (containing type II collagen and chondroitin sulfate), N-acetyl-glucosamine, and pure magnesium ions.

¹ Magnesium draagt bij tot: de instandhouding van normale botten en een normale werking van de spieren – de elektrolytenbalans – een normale eiwitsynthese – de vermindering van vermoeidheid en moeheid.

How to use

1 shot per day, to be taken in the morning.

Food supplement – Belgian production – Protect from heat and moisture. Do not exceed the recommended daily dosage. Keep out of reach of children. Do not exceed the recommended daily amount (1 shot). A food supplement is not a substitute for a balanced and varied diet, nor for a healthy lifestyle.

We use only the best

Hydrolyzed cartilage of which collagen peptides of which chondroitin sulfate	1000 mg 600 mg 150 mg
Glucosamine	1000 mg
Magnesium	250 mg
