

METABOLIC BURN REE

STEP 123

NEXT GENERATION RESTING
METABOLISM ACTIVATOR

LIPOCARNINE™

Premium health benefits

Lipocarnine™ combines L-carnitine with bioactive peptides in a unique blend that supports satiety and weight management, while helping maintain muscle mass.

Metabolic Burn REE provides nutrients that contribute to a normal energy metabolism¹.

¹Chromium contributes to normal macronutrient metabolism. Health claims in accordance with European regulations.

Usage instructions

Take 1 shot per day in the morning. We recommend using Metabolic Burn REE for at least 3 to 6 months, combined with sufficient physical activity and a balanced diet.

Warning: Keep out of reach of children. Do not exceed the recommended daily dose. A food supplement should not be used as a substitute for a varied and balanced diet or a healthy lifestyle. Store in a cool, dry place. Not suitable for children under 18 years old, pregnant or breastfeeding women. People with diabetes or those taking medication should consult a doctor or pharmacist before use. Do not use in combination with other green tea-containing products. Do not consume on an empty stomach. Do not exceed a daily intake of 800 mg epigallocatechin-3-gallate.
