¹Green tea extract contributes to fat metabolism and supports weight management, in combination with a healthy lifestyle. ²Chromium contributes to the maintenance of normal blood glucose levels and a normal macronutrient metabolism. ^{*}Health claim pending European Commission approval.

Usage instructions

Intake	1 shot per day, to be taken in the morning.
Duration	3 to 6 months.
Advice	To be combined with physical activity and a healthy diet.
Target group	Adultes (18+).
Pregnancy/ breastfeeding	Not recommended during pregnancy and breastfeeding.
Warnings	Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Keep out of reach of young children. Do not use if consuming other green tea-containing products on the same day. Do not consume on an empty stomach. Do not exceed a daily intake of 800 mg epigallocatechin-3-gallate.

Ingredients

Ingredients per daily dose (1 shot):

		%RI*
Hydrolyzed collagen (Nextida GC®)	5 g	-
L-carnitine	2 g	-
Green tea extract	135 mg	-
SOD	40 mg	-
Chromium	40 µg	100 %

Green tea extract naturally provides epigallocatechin-3-gallate (egcg): 60.75 mg per daily dose.

%RI* = % Reference Intake

Excipients: water, acidifiers (citric acid, malic acid), natural flavouring, preservatives (potassium sorbate, sodium benzoate).
