

NRM3+

Helps maintain a positive mood*

Health insurance premiums

For daily relaxation and a positive mood. NRM3+ helps you relax and maintain a balanced mood, so you can approach your daily tasks with calm and positivity.

*Saffron (*Crocus sativus*) contributes to relaxation and the maintenance of a positive mood.

*Health claim pending European approval.

How to use it

1 capsule a day in the morning.

A dietary supplement is no substitute for a varied, balanced diet and a healthy lifestyle. Keep out of reach of children. Do not exceed recommended daily dose. Store in a dry, dark place. Consult your doctor or pharmacist if you are taking a treatment for depression. Not to be used by pregnant or breast-feeding women, or by children under 18.
